

Apple Fans

Uses: Platter Garnishing, Centerpieces, and Food Holders

Tools: Sharp French knife or paring knife

Method

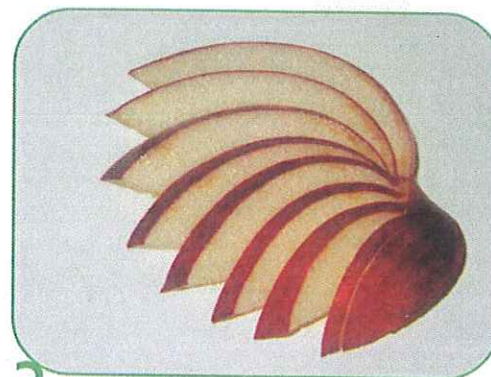

1. Cut a thin bias slice off the end of a cucumber, squash, or your favorite fruit or vegetable.
2. Angle side slices to a point toward the tip's center.
3. Push down slightly to one side and fan out.

2. Push slightly to fan out.

• Bias end cut or wedge.

3. Soak in lemon water.
